## BUILT FOR FISHING

PELAGIC GEAR was founded as a company devoted to those that live, dream, and stand by the ocean lifestyle. Born in the waters off Newport Beach, California, PELAGIC is deeply rooted in fishing and ocean culture; we are driven by an undying thirst to unite a global community of men and women from around the world with a brand name that identifies with a single love for the ocean. Combining high performance technical apparel with casual lifestyle wear, and headwear, footwear, gloves, and high-tech polarized optics, PELAGIC has you covered from head to toe.

As a pioneer in the fishing apparel industry for 20 years and counting, PELAGIC is an authentic brand that continues to stay on the forefront of innovation and cutting-edge design in both clothing and technical product. With a wide variety of board and technical fishing shorts, UV sun-protection products, foul weather gear, and high performance polarized optics, PELAGIC products give the modern waterman the best advantage possible when it counts the most. Recently, with the emergence of a growing sector of passionate female anglers, we have expanded our offerings to include a full line of women's ocean-inspired apparel featuring active wear, performance leggings, and swimwear.

PELAGIC is a brand that provides an avenue to share your passion for the ocean lifestyle; whether you've fished once in your life or make your career on the water; whether on the beach or thousands of miles from the nearest sea, PELAGIC products connect you to a worldwide community of individuals that share the same passion for the ocean and love spending time on the water – fishing, boating, surfing, and diving – living the PELAGIC lifestyle!

## SHARKSKIN ELITE

Sharkskin Elite Boardshort: Leading the charge of the title for ultimate comfort and function, the Sharkskin Elite Boardshort is the one you'll want to enlist for sending it full day in search of big fish. Featuring a fully restructured body with pocket systems that work with your every movement, you can load up the front hand-pockets, safe-secured tool & phone pockets, and side zipper pocket without fear of sitting on your personal gear or losing yet another phone to the deep blue. Combine that with a custom fit complete with belt loops and our TightLines™ custom-cinching drawcord system, you can load up those pockets with everything you need to keep close at hand when out there targeting pelagics. Built with both function and comfort in mind, this short is made of an eco-friendly Sharkskin Dobby fabric with Repreve® Recycled fibers.

4-Way Stretch Sharkskin Dobby Fabric with Repreve® Recycled Fibers | TightLines™ Custom-Cinching Drawcord System | Water & Stain Repellent Treatments | Mesh-Lined Front Hand Pockets | Self-Secured Reinforced Tool & Cell Phone Pockets | Side Zipper Pocket

DEEP SEA HYBRID SHORTS

Like many creatures of the abyss, Pelagic Deep Sea Hybrid Shorts have the ability to change patterns before your very eyes. As your shorts get wet, our H2O Activate Fabric Technology magically morphs to reveal a medley of your favorite gamefish silhouettes. It’s time to go deep and turn a few heads both on and off the water.

21” Outseam | 12” Inseam | 61% Cation | 20% Nylon | 10% Poly | 9% Elastane | H2O Activated Fabric Technology | Fish Appear When Fabric is Wet | 4-Way Super-Stretch Fabric | 5 All-Purpose Pockets

## TRAVERSE FISHING SHORT

Like having a tackle box tied to your hips, the Traverse Fishing Short crosses the boundaries of function and comfort. Featuring a “fluoro-friendly” spool cargo with line feeding exit on one leg, and a double-stacked tool & accessory pocket on the other, this short does it all (except for fighting your fish, of course).

21” 2 Way Stretch Fishing Short | 65% Nylon | 5% Elastane | Water Repellency And Stain Guard | Tightlines™ Adjustable Waistband | Left Side Cargo Pocket | Right Side Double-Stack Reinforced Tool & Accessory Pocket | Mesh Lined Front Hand Pockets & Back Zip Pocket

## SHORTFIN

Like a Mako Shark in hunting mode, the Shortfin Hybrid is built ready for action on both land and sea. Constructed for added mobility or for those who prefer their shorts a little... shorter... the Shortfin is made of an ultra-plush 4-way stretch fabric with Repreve® Recycled Fibers while offering mesh-lined front hand pockets, a side utility/cell phone pocket, and self-secured back flap pockets.

## AQUATEK GYOTAKU HOODIE

GYOTAKU is the traditional Japanese method of fish printing. This intricate immortalization process was originally used by fishermen in the 1800's to record their catch by using ink, rice paper, and delicate hand pressing to create a fish image. Today, Gyotaku has become an art form of its own utilizing a wide variety of fish and ocean creatures as a method of printmaking.
