BUILT FOR FISHING

PELAGIC GEAR was founded as a company devoted to those that live, dream, and stand by the ocean lifestyle. Born in the waters off Newport Beach, California, PELAGIC is deeply rooted in fishing and ocean culture; we are driven by an undying thirst to unite a global community of men and women from around the world with a brand name that identifies with a single love for the ocean. Combining high performance technical apparel with casual lifestyle wear, and headwear, footwear, gloves, and high-tech polarized optics, PELAGIC has you covered from head to toe.

As a pioneer in the fishing apparel industry for 20 years and counting, PELAGIC is an authentic brand that continues to stay on the forefront of innovation and cutting-edge design in both clothing and technical product. With a wide variety of board and technical fishing shorts, UV sun-protection products, foul weather gear, and high performance polarized optics, PELAGIC products give the modern waterman the best advantage possible when it counts the most. Recently, with the emergence of a growing sector of passionate female anglers, we have expanded our offerings to include a full line of women's ocean-inspired apparel featuring active wear, performance leggings, and swimwear.

PELAGIC is a brand that provides an avenue to share your passion for the ocean lifestyle; whether you've fished once in your life or make your career on the water; whether on the beach or thousands of miles from the nearest sea, PELAGIC products connect you to a worldwide community of individuals that share the same passion for the ocean and love spending time on the water – fishing, boating, surfing, and diving – living the PELAGIC lifestyle!
