## TROPICAL AQUA

Our new Tropical Aqua collection is inspired by days spent on the boat and weekends relaxing in crystal clear water. Featuring our new aqua base and subtle Cyotaku fish print, this gear will have you ready for summer adventure.

Influenced by a lifetime of childhood summers fishing along the Jersey Shore, Steve's talents led him to an art degree from the Ringling School of Art and a graphic design career that evolved serendipitously into a flourishing marine art business combining Steve's life passions.

His simple, yet beautiful pen and inks evolve into a wonderful blend of mediums that include watercolors, always augmented by his use of stippling with pen & ink to bring out the subtleties of shape and shading. Steve's ability allows him to portray sportfishing boats, gamefish and a variety of other shoreline scenes with complete accuracy, while also capturing the "intangibles" that convert simple illustration into fine art.

Pelagic is proud to partner with Steve in releasing a line of product that reflects our shared love and passion of fish and fishing. The Steve Goione x Pelagic collection is available in t-shirts, performance fishing shirts as well as accessories.
